PREFACE

We congratulate authors the publication of this Volume 5 Issue 1, June 2023. In this issue, we highlight research finding in the field of aerospace science and other general engineering fields. AVIA aims to solicit recent finding of research scopes of aviation sciences and technology, aerospace engineering, and all general engineering fields.

This edition consists of four scientific articles, coming from multiple contributing institutions from various countries.

AVIA Editorial office would like to thanks all authors, reviewers, and contributors for the continuous support and attention. We are looking forward to receive more articles in the next following issues.

Best regards,

AVIA Editorial Bord
